Farm Engineering Industries Limited

27th September, 2012

To whom it may concern

This is to confirm that M/S Safe Solutions have been supplying us with a variety of Fire Extinguishers and Safety Equipment. They have been efficient and compliant in relation to specifications, delivery and installation requirements. When requested they have been prompt in training beneficiaries in the use of the equipments.

We at FEIL find their products of high quality and have proved to be reliable. They have executed the supply in a very efficient manner and also organized operator training in a professional way. Their after sales services and maintenance of products supplied are of high standards.

I have no hesitation in recommending them to any party in need of supply and servicing of Fire Fighting Equipment.

Yours Faithfully,

FOR: FARM ENGINEERING INDUSTRIES LIMITED.
